NOTES

1. **Class Ranks are indicated to describe the focus of the particular class.**
   For example: Tuesday, 6:30 – 7:30, Yellow Belt – Green Belt. This class will focus on the course curriculum between Yellow Belt and Green Belt. Other ranks are permitted in these classes; however, the material taught will be that of the described rank. Other members will be able to review their earlier material or work on their own respective material.

2. **Black Belts and Black Belt Club Members are permitted to attend ANY class that is below, or equal to their rank, *providing there is available space*.**

3. **Classes will be limited to 24 students.**
   All students must register for two schedule classes per week. Any BBC members not registered in a particular class will be permitted to train so long as there is space available. In the event that the class is full, those excess BBC members will be asked to train in the second classroom on their own.

4. **The second classroom is open for individual practice, focus techniques and board breaking at any time, so long as there is no class in session in that room.**
